About.
I am interested in using visual arts and design to communicate ideas and messages. From drawing to photographing, to graphic, web and UX designing, I have accrued a diverse set of skills and an understanding for many of the needed steps throughout the design process.

Experience.

Junior Web Publisher, **RCMP.**
June 2019 - August 2019
- Published web content and policies with Adobe Dreamweaver.
- Quality control: ensured all accessibility requirements are met.
- Provided assistance regarding the posting of policies/procedures.
- Ensured adherence to policies on communications/federal identity.
- Researched new trends as they relate to the provision of information.
